**DEAR MEMBER FIRMS**

**SURVEY ON THE POST-MOVEMENT CONTROL ORDER (MCO) AND BUSINESS RECOVERY PLAN**

The Institute is concerned regarding how the COVID-19 pandemic has been affecting our operations, members, member firms and the profession. We are continuously monitoring and analysing the situation in order to identify and formulate the next course of action.

Subsequent to our first member firm survey issued in April 2020 on the impact of MCO and to what extent the economic stimulus package can assist member firms to alleviate the impact of COVID-19, the Institute issued a second survey focusing on the financing needs and the availability of external financing in May 2020.

The Institute is now taking another step further to gather feedback on the current state of well-being of member firms and further assistance and measures required to support business recovery post-MCO.

In order for your voice to be heard by the Government, we need industry-wide data and constructive feedback. Please click [HERE](#) to participate in the survey.

As we are collecting data on member firms, only one submission is allowed for each member firm. If there are multiple submissions, we will take the last submission as final. The deadline to participate in the survey is **3 July 2020 (Friday) at 5.00 p.m.**

We look forward to your contribution.

Thank you.

Yours faithfully
