

## Get 20% off your next course

You don't have to take a break from your studies. We're bringing the classroom straight to you. With movement restricted it's the perfect time to join a virtual class.

Keep on track with your study plan with Live Online. You'll still have access to your tutor and classmates. And if you miss a class, you can watch the recording.

With 10 years experience of teaching online, market-leading technology and award-winning study methods we can help you keep your studies moving forward. Our pass rates are higher than global averages too, so you can study with confidence.

To help you get started, we're giving you 20% off your Live Online courses\*.  
Just use discount code **LIVE20** at check-out.

Offer must end 15th of May, so enrol now before it's too late.
